

RESELLER PROGRAM

- JOIN OUR RESELLER PROGRAM & GET MORE BENEFITS

Are you purchasing Multiple VPS or want to Resell VPS to your clients and friends?

We have two great options for you through our **Affiliate Program and Bulk Discount**.

To Join our lucrative Reseller Program contact sales@vps9.net, this program works for all of our packages and services. You can refer friends and families alike.

Our VPS Reseller program starts from **3rd VPS** active purchase, contact Sales Team through **Live Chat or Open Support Ticket** through **client area**. We'll attach your account with unique discount coupon code, which you can use for future orders (one coupon code can be used per order). You are even eligible for public discounts given on our website.

When you reach next discount level, we will generate new discount code applicable for future orders. Existing active packages do not qualify for the new discount level. In case, your number of VPS servers count drops below respective discount slab, discounts coupon value will be reduced to previous discount level.
